High representation  
from North America and  
Europe correlates with  
high medal count

Top 5 countries take  
home over double  
the average medal count

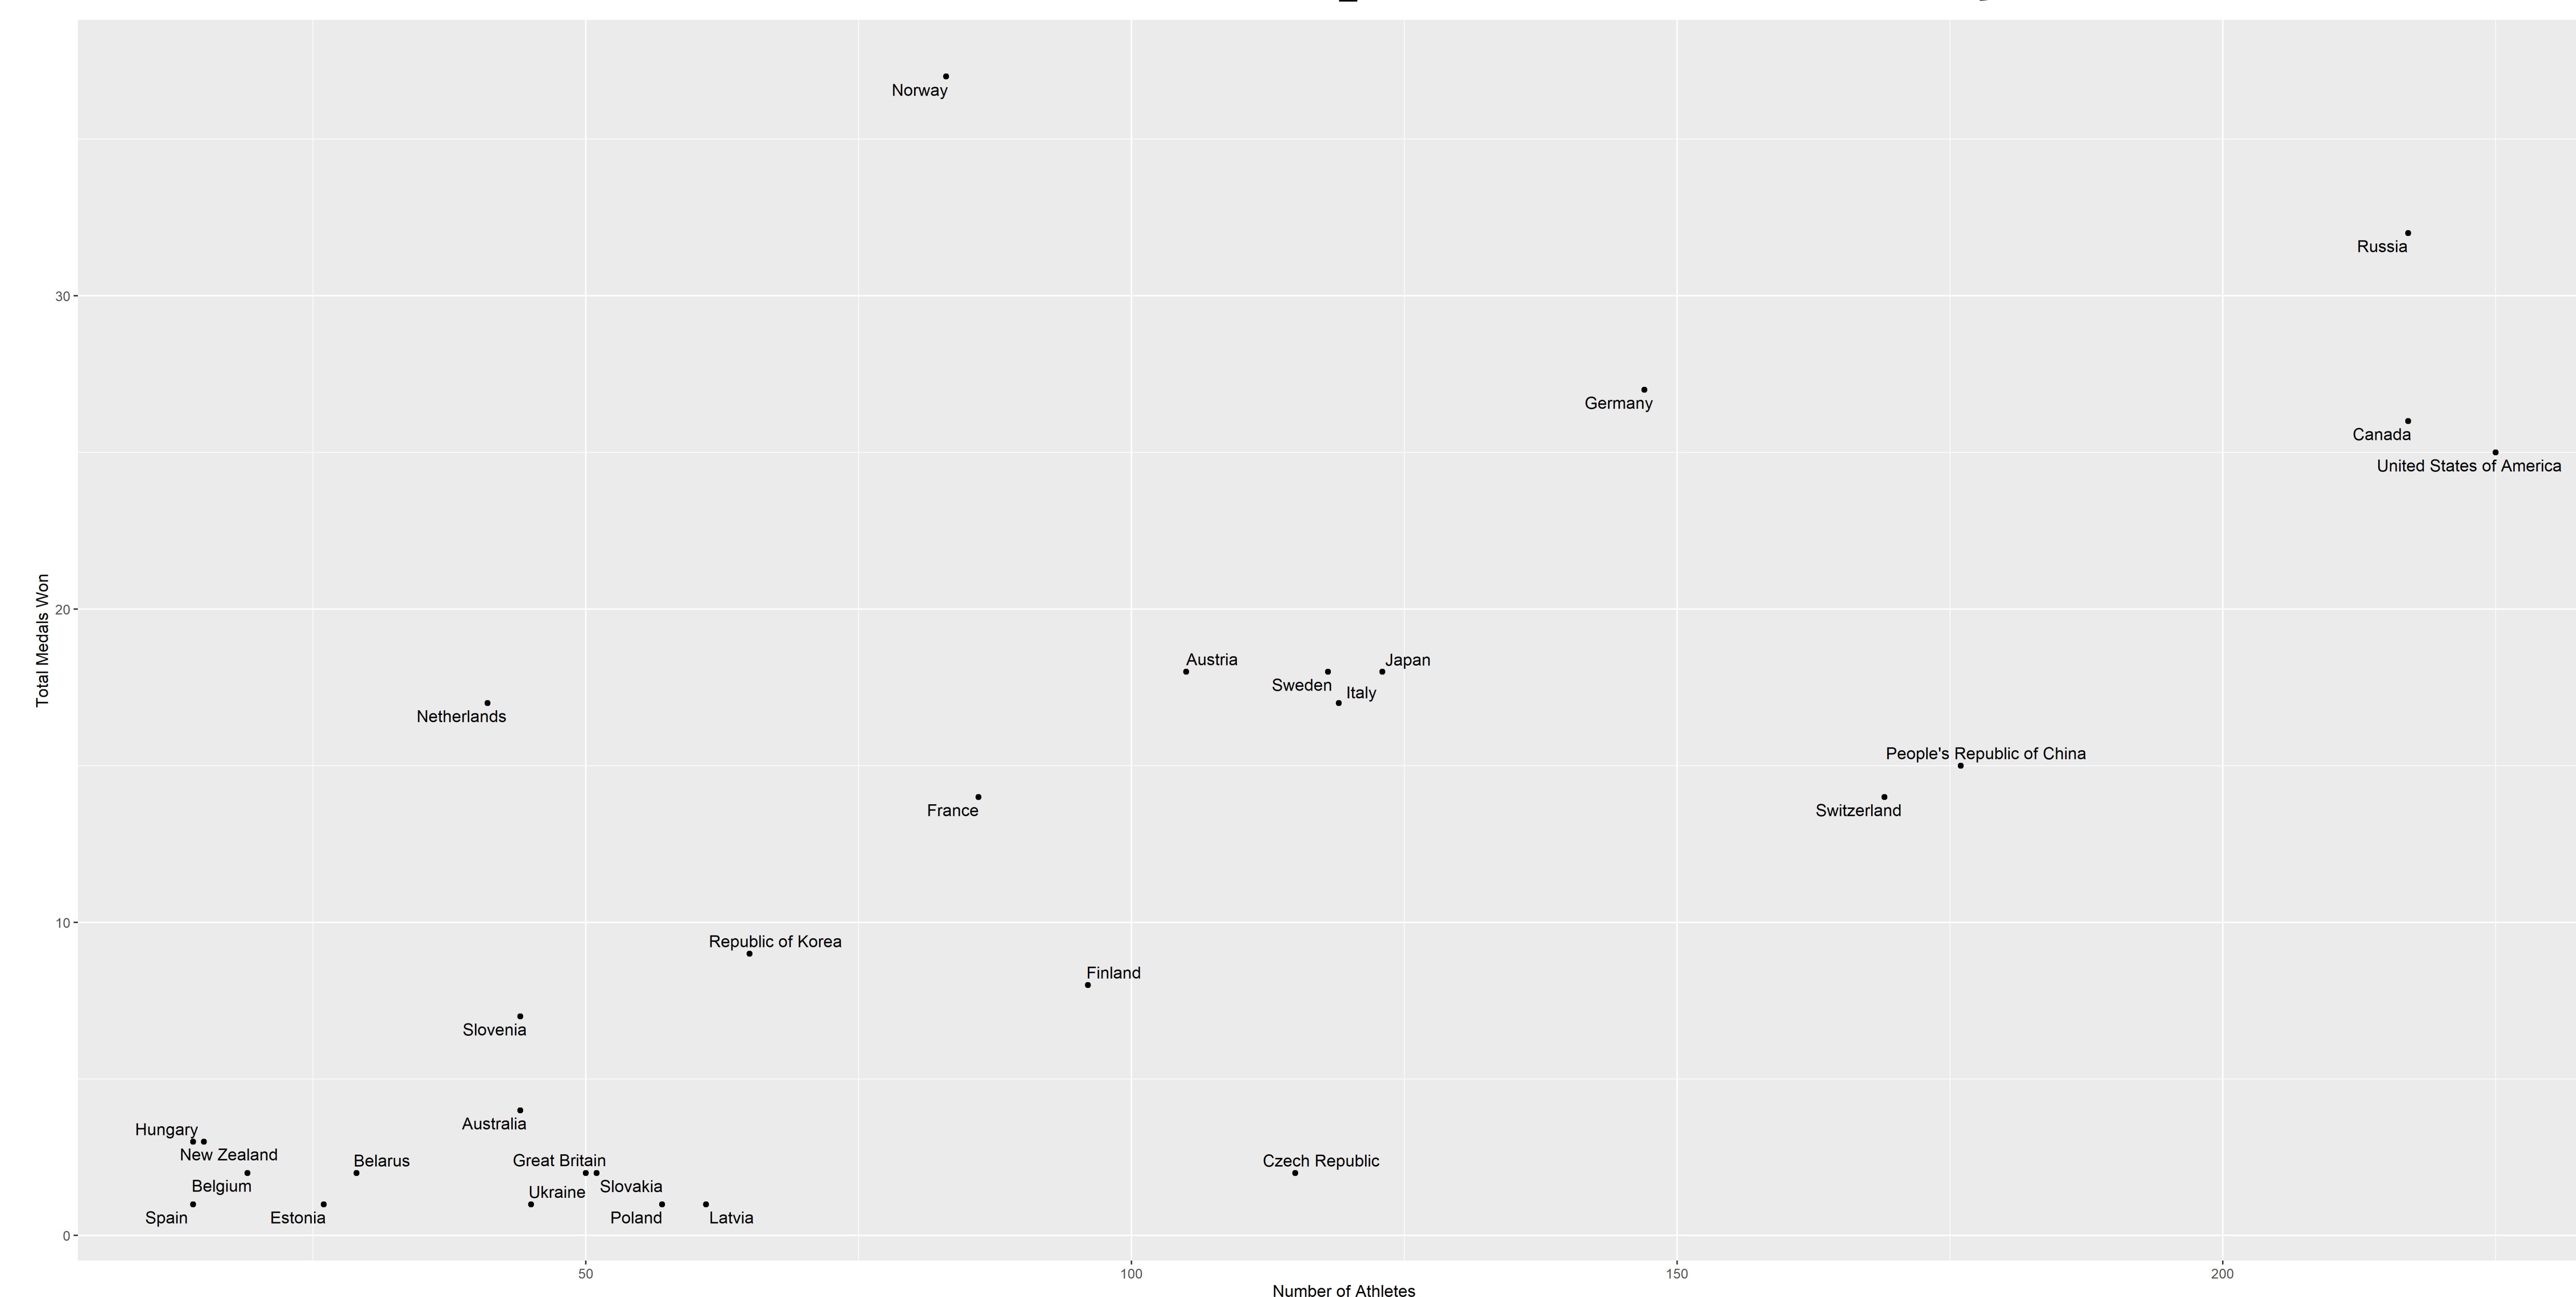

### Number of Athletes Sent to the Olympics

### Medal Distribution

### Number of Athletes Versus Medals Won per Country

In general, the more  
athletes sent by a  
country, the more  
medals won.

Norway won 15% of the  
medals out of the  
top 10 countries
